TO WHOM IT MAY CONCERN

Greetings from the Department of Training & Placement as well the School of Computer Science & Engineering, JIS University, Agarpara.

We appreciate your kind gesture in agreeing to provide our B. Tech(Computer Science & Engineering) Student with the necessary industry and role exposure through your organization's well-known facility. Training & Placement department of JIS University is confident that this opportunity would go a long way in establishing a close working relationship between our organizations for fulfillment a compulsory portion of industry academic collaborative initiatives as per AICTE stipulations & norms.

We are also confident that our students would deliver work as per your expectations in the role assigned to them. We would look forward to active mutual mentoring to make this endeavor a success.

Our University does not have any objection to his continuing and completing the internship assignments as per the agreed deliberations.

Kindly treat this as a No Objection Certificate for the following 1 (one) selected student who would be undertaking the Internship starting for a period of Twelve Weeks after clearing the initial test.

Sl.No.	Name	Semester	Course Program
1.	Snigdha Datta	6 th Semester	B. Tech(CSE)

We look forward to formalize our relationship through other upcoming industry academic collaborative activities in future.

Thanking you

With best and warm regards

Anjan Chatterjee
Training & Placement Officer
JIS University
