# HEXA FALLS

28th-29th June, 2025

SPONSOR BROCHURE

ABOUT US

HexaFalls is one of the largest and most dynamic hackathons in Eastern India, designed to unite talent, innovation, and creativity under one roof. Inspired by the mystery and adventure of Gravity Falls, this next-gen hackathon brings a unique twist to the world of innovation, challenging participants to explore the unknown, decode real-world problems, and build groundbreaking solutions using cutting-edge technologies.

Organized by passionate tech enthusiasts from **Google Developer Groups (GDG) On Campus, JIS University** , HexaFalls serves as a platform for aspiring developers, designers, and problem-solvers to push boundaries and bring ideas to life.

With an immersive, adventure-driven experience, HexaFalls fosters a culture of learning, collaboration, and technological advancement. By bringing together students, professionals, mentors, and industry leaders, we aim to bridge the gap between theoretical knowledge and practical implementation, empowering the next generation of changemakers.

Join us as we decode mysteries, hack the future, and shape technology—one solution at a time.
